

AOPA Air Safety Institute Safety Seminar

Presentation of a "Real Pilot Story" highlighting the dangers of icing, VFR into IMC, and what aviators can learn, how they can avoid getting into such situations, etc.

“FAA notification emails will not be sent. This announcement is for WINGS credit only.”

The seminar will be held in the airport building. There will be signs or staff to point you to the seminar room.

A message from the National FAASTeam Manager
