N/A presents:

Lessons Learned from 56 Seconds to Live

Many who viewed the US Helicopter Safety Team (USHST) “56 Seconds to Live” video were introduced to a frightening accident scenario that reminded many pilots of a similar experience. This one-hour session will reintroduce that video clip as part of a course on understanding risk management and recommended practices to apply in all phases of flight planning and execution.

Room B408 of the Georgia World Congress Center in Atlanta, GA

VERTICON 2026 Foundation Industry Presentations

There is a cost for this event. Attendees must register and pay for VERTICON attendance by visiting the VAI link below:
