Event Details

A seminar to help current and inactive pilots prepare for their flight review.

Please register for this event through the AOPA [events schedule](#).

I use GPS for directions to the seminar location. Once there, parking will be available in the lot across the street just north of the building. The building is easily identifiable by its sign, which is visible from the parking lot.

There is no pre-registration on the FAA site for this event. SPANS for WINGS credit only.
