Training or Learning?

Organizations rarely drift toward risk through deliberate decisions. More often, hazards become normalized over time as perceptions slowly shift and yesterday's exceptions become today's routine. This thought-provoking session explores how safety culture can erode through subtle changes in judgment, decision-making, and organizational behavior; and offers practical strategies to recognize and reverse safety drift before it leads to unwanted outcomes.

Boise Center West

VAI Aerial Work Safety Conference

There is a cost for this event. Attendees must register and pay for Aerial Work Safety Conference attendance by visiting the VAI link below:
