

An Evening with the Seymour AFB (SEY AFB) Fighter Wing Safety Office and RDU ATCT

Did you know that one of the biggest fears of pilots is talking to ATC? After spending an hour with the controllers from RDU ATCT you will find that using their services is much easier than you might think. Additionally, SEY pilots will discuss the best way to visually identify potential MACA threat and the procedures that can lessen the risk of a mid-air occurring.

Directions: From I-40 exit onto Aviation Pkwy. (exit #285) to Terminal, go past terminal 1, turn Rt onto W. Intl. Dr. continue past FBOs, turn Left onto Business St. to stop sign, bldg. directly across the street.

A message from the National FAASTeam Manager

WINGS – The better way to meet your Flight Review requirement!
