

Moore County~Southern Pines,NC (SOP) Customer Appreciation Fly-in & F-15 MACA Brief

F-15 Air Force pilots from the Seymour Johnson Fighter Safety Office will discuss the best way to visually identify potential collision threats and the procedures that can lessen the risk of a mid-air collision. Also a bonus F-15 Capabilities Briefing. Don't miss it!

Directions: Hertz Side of the Bldg; Park in lot next to the Main Bldg; seminar in large "glassed-in" conference room.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
