

# Duke Energy Corporate/Regional Pilot Safety Event

This year's key note speaker for our Flight Ops evening event will be Dr. Jerry Cockrell who will be speaking on the following topics; Decision Making, Judgment, Situational Awareness. Dr. Cockrell is a psychologist, aviator, humorist and in-demand speaker. His 'down-home' style and hilarious anecdotes have charmed, educated and entertained audiences around the world. \*Aviation Maintenance event the following day, see info below.

**Directions:** FROM I-85 S, Exit 33, L on Billy Graham Pkwy, R on Morris Field Dr, R on Minuteman Dr, L on First Flight Dr., hangar on right.

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
