

The FAA Safety Team presents:

Total Flight Solutions Helicopter Safety Day and Open House

Don't miss this exclusive event at the Triangle North Exec. Airport (Franklin County LHZ) for static displays, educational seminars and a FREE LUNCH sponsored by Total Flight Solutions. UNC and Duke EMS Helicopter pilots will display and discuss their flight operations. Aviation speaker Mark Grady will brief a human factors presentation "The Color Code System", followed by presentations on "What it Takes to Become a Helicopter Pilot" (Eric Pippin) and RDU ATC Operations (Gil Johnson).

Directions: Hwy 401, Bennett Perry Rd, right on Bryant, right on Airport Rd. Hangar to the left of FBO.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
