

'Tis The Season!

Longer nights and colder weather bring unique challenges to airmen every December. Knowing how to cope with frost, snow, cold weather, and the higher risks associated with flying at night are mission critical this time of year. Refresh your skills and reduce your risk! FREE Refreshments!

Directions: Lower level of General Aviation Terminal adjacent next to Landmark Aviation. Four hour free parking in adjacent GA parking area. Please retain your parking pass for FREE parking.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
