

The FAA Safety Team presents:

## WINGS Safety Seminars

Don't miss this exclusive event featuring four informative safety briefings! Topics include the Aviation Safety Reporting System (ASRS), Ditching Procedures, Emergency Locator Transmitters (ELTs), a demonstration of the new Garmin 750 and Portable Electronic Electromagnetic Interference in the Cockpit. Refresh your pilot skills at this important safety event and reduce your risk of being involved in an incident or accident. See the "Additional Seminar Information" for all the details!

**Directions:** Meeting in SKYDRIVE Hangar.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
