

Lumberton WINGS Expo and Fly-In!

Sharpen your knowledge, skills, and flight discipline by participating in fun aviation challenges and informative seminars. Choose to attend one or all of the exciting aviation activities and safety briefings! View the Allergo Light Sport aircraft manufactured right here in North Carolina. Get behind the controls of a new Cessna aircraft and see other static displays and aviation vendor booths. View the latest avionics navigation systems on the market offered by Sparkchasers Aircraft Services. Door prizes and contest rewards. FREE lunch cookout. Seating and participation limited in air-conditioned hangar. Click on the link below to view the complete challenge and seminar schedule and register TODAY!

Directions: From I-95 take Exit 17. Follow signs to the airport. WINGS Seminars and aviation activities in hangar 29.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
