

FAASafety Team Flight Instructor Open Forum

What is your idea of airworthiness? Who is responsible for the airworthiness of the aircraft you teach in? How do you teach students to make airworthiness determinations? Attend this exclusive workshop and learn the answers to these questions and how to convey that responsibility to students. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are all welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Don't miss this important event, click on the link below and register TODAY!

Directions: Please see map link for directions. Forum to be conducted in the classroom of hangar.
