

The FAA Safety Team presents:

Around the World in a Mooney!

World record holder, pilot and author Carol Ann Garratt will share her adventures flying around the world in a single engine aircraft at the Wings of Carolina Flying Club! Her extensive experience will help you mitigate the risks of flying through weather, provide you with best practices for navigation, improve your flight planning and explain the advantages of good situational awareness. Don't miss this exclusive opportunity to increase the safety in your aviation operations! Click on the link below and register TODAY!

Directions: Wings of Carolina Hangar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
