

# The ForeFlight Revolution - Flying With the I-Pad at Winston-Salem!

Attend this unique and rare presentation by the co-founder of Fore Flight LLC, Jason Miller. He will furnish attendees with details of the helpful apps available for the iPad that make flying and navigating safer and more enjoyable. The iPad is rapidly becoming the tool of choice for many General Aviation (GA) pilots, so don't miss out on this timely presentation! Learn from the iPad guru himself! Seating is limited so register TODAY by clicking on the link below!

**Directions:** Exit University Parkway on to Wake Forest Road. Soon after passing the Gatehouse, look for the Worrell Professional Building on your right (first building and near the water tower). Go to room 1312 on the first floor of the Worrell Professional Center (School of Law).

## A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
