

FAASTeam Flight Instructor Open Forum

It's hard to imagine losing control of an airplane in flight, but it happens far too often and almost always with serious or fatal results. At this FAASTeam Flight Instructor Open Forum we will explore some of the factors that can lead to a Loss-Of-Control (LOC) event, and provide some practical steps to help pilots avoid LOC. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: Smith Reynolds Terminal Building. From HWY 52 Northbound, take Exit 111A and follow signs to the airport. From HWY 52 Southbound, take Exit 112 Akron Road Exit. Turn LEFT on Akron Road to Liberty Street and turn RIGHT. The OLD Airport Terminal building is on the left past the LANDMARK FBO building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
