

MayDay 101: Surviving In-Flight Emergencies

Don't miss this opportunity to sharpen your aviation knowledge and skill! This event will feature techniques and strategies to cope with in-flight emergencies. Your presenter will review successes and failures of pilots who experienced in-flight system failures, how they handled them, and what you should do when the unexpected happens. This seminar will review aircraft system functions and educate pilots on common accident causal factors. Refresh your basic piloting skills and fly with confidence! Earn WINGS credits for attending and enjoy FREE Pizza and refreshments, plus Door Prizes. Click on the link below for all the details and to register TODAY!

Directions: Seminar is in the Regional Airport terminal building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
