

## Airplanes and Helicopters-Living Together Safely

Do you avoid helicopters at your local GA airport? Major Fred Keller of the National Guard will tell us what military helicopters are doing, what they are likely to do next and how to avoid the turbulence produced by helicopters. Pizza served at 6:30pm, program at 7pm. Click the link below and register TODAY.

**Directions:** Take Route #1 to exit 76. Turn East onto Farrell St. Proceed ½ mile and turn left onto Rod Sullivan Rd. When you go over the bridge over the RR tracks make an immediate right and follow signs to the Wings of Carolina Flying Club.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
