

FAA Safety Team presents:

Spring Into Action: WINGS Seminars

Don't miss a great opportunity to participate in multiple aviation seminars and activities. Choose from numerous aviation safety seminars in the morning to increase and refresh your aviation knowledge. At noon, while enjoying a delicious lunch you can listen to aviation professionals speak about career opportunities available at the college and participate in some fun activities that are guaranteed to have you laughing. In the afternoon fly a Red Bird Simulator for free or participate in Aircraft Maintenance demonstrations specifically designed for those pilots that want to perform maintenance on their own airplanes. All classes and shops are approved for WINGS Credit. Click on the link below and register TODAY.

Directions: From I 40 take exit 210, HWY 68. Proceed north to West Market Street. Proceed east to Regional Road. Head North on Regional Road to T.H Davis GTCC Aviation Campus. For those that Fly In, park at Atlantic Aero and ask for shuttle to GTCC

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
