

FAASTeam Flight Instructor Open Forum

At this open forum we will discuss how to Prepare Pilots for the Unthinkable. Pilots react to emergency situations the way they practice. Successful survivors have several things in common; these include knowledge, decision-making skills, and a cool demeanor. Attend this informative forum and find out which pilots survived the accident and what they did right. Join your flight instructor colleagues and make a difference in flight training safety. Click on the link below and register TODAY!

Directions: The Safety seminar will be held in the old Piedmont Terminal Building. From Hwy 52 North, take the Liberty Street Exit 111A. Follow the signs for the Smith Reynolds Airport. From Hwy 52 South, take the Akron Drive exit. Turn left on Akron Drive, then right on North Liberty Street. The old airport terminal is on the east side of Liberty Street. Look for seminar signs on North Liberty Street airport entrance.
