

## FAASTeam Flight Instructor Open Forum--Open to All Pilots

At this open forum we will discuss how to Prepare Pilots for the Unthinkable. Pilots react to emergency situations the way they practice. Successful survivors have several things in common; these include knowledge, decision-making skills, and a cool demeanor. Attend this informative forum and find out which pilots survived the accident and what they did right. Join your flight instructor colleagues and make a difference in flight training safety. **Directions:** The Safety seminar will be held in the new AV3 building located across from Honda Jet Headquarters. Look for FAA Seminar Signs.
