

WINGS Over Edenton: The Ups and Downs of Takeoffs and Landings

Attend this exciting and informative briefing on improving your takeoff and landing techniques. This exclusive safety seminar is presented by Henry Joyner, the resident FAA Designated Pilot Examiner (DPE) for Eastern North Carolina. He will "fly" you through methods and procedures to make those critical cross wind landings and takeoffs a breeze! Click on the link below to reserve your seat today!

Directions: Please see map link.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
