

CFI/DPE Open Forum: Open to All Pilots

Get familiar with the New Airman Certification Standards that will affect the way we train and test airmen. View the proposed Private Pilot PTS. Learn how this new Practical Test Standards methodology will evolve across all airmen certifications. Be the first among your peers to be acquainted with this evolving airmen standardization testing and training process. Additionally, you will learn how to teach your student to handle an emergency during the second half of this meeting. Seating is limited. Click the link below and register TODAY.

Directions: The meeting will be held in the Lenoir Community College Aviation Center. It is located behind the General Aviation FBO. It is to the left of the main terminal.
