

The FAA Safety Team, GSO FSDO presents:

FAASTeam Flight Instructor Open Forum, Open to All Pilots

At this open forum, we will discuss Transitioning from Legend Instruments to Glass & Glass to Legend Gauges. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding ways to increase effectiveness of transition training from traditional "steam gauges" to glass panel displays. The popular trend today. More than ever before, the aircraft in which we train the pilots of tomorrow are upgraded with new flight equipment. What are the best practices for teaching this transition? Don't miss this opportunity to discuss the methods, techniques, and challenges involved in guiding a pilot through a transition. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY. Refreshments provided by Premiere Flight Center.

Directions: Seminar will be held in the Old Piedmnt Terminal Building
