

Pilot Deviation - What is a Pilot to Do?

A situation that would concern any pilot: "Advise when ready to copy a phone number" or a letter in the mail with your local FSDO's return address. Aviation lawyer and CFI, Mark Kolber talks about the enforcement process for pilot deviations. He has practical advice on what to do, what NOT to do and how the enforcement process works. Take the mystery out of enforcement and get essential information to protect your pilot certificate. Click the link below and register TODAY.

Directions: The meeting will be held at the Wings of Carolina facility, south ramp near the approach end of Runway 3.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
