

FAASteam Flight Instructor Open Forum Open to All Pilots

At this open forum, we will discuss how to conduct an effective risk-based flight review. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios. It allows FAASteam Program Managers and designated FAASteam Representatives together with CFIs and DPEs to discuss the benefits of conducting risk-based flight reviews. Airmen will learn how to get the most out of a Flight Review to improve their skills and confidence. Flight Instructors, Ground Instructors, Designated Pilot Examiners, Instructors, and all airmen are welcome and encouraged to attend. Click the link below and register TODAY.
