

FAA Safety Team presents:

Annual Greensboro WINGS Event

Don't miss a great opportunity to participate in a variety of WINGS Aviation Safety Seminars and activities. Test your skills and experience flying a full-motion simulator (limited participation). Enjoy a FREE lunch and special guest speaker from HondaJet, as well as witness a Master Pilot and Master Mechanic Award Ceremony. Learn all about the New Drone Regulations and see a demonstration of the latest drone technologies. Discover the new interest and excitement of Glider Training, sit in a glider, and talk with glider instructor professionals. All classes are approved for WINGS credit. View the multiple links on FAASafety.gov under Additional Information and select the seminars which you will attend. Do it TODAY.

Directions: Seminars will be held in the NEW GTCC AV3 Campus across from HondaJet on Old Stage Coach Road. See Map connection. Look for seminar signs. Transportation for "Fly-Ins" can be arranged if you make 24 hour advance requests by calling Bob Sutherlin at 336-907-0487. The Landmark ramp fee may be waived. Call for details.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
