

FAA Safety Team presents:

Say Again - Towered Airport Operations

Seminar Details: 10:40 AM Classroom C:
Presented by MayCay Beeler, Chief Flight Instructor for Triad Aviation Academy, CFI of the Year 2015, aviation author, and TV Personality. Every GA pilot has experienced some confusion when operating at a towered airport, and some have even committed a "runway incursion." MayCay will review runway incursions committed by GA pilots at Greensboro and Charlotte. Discover how sometimes ATC can be just as responsible for a runway incursion and how you can guard from this happening to you. You will listen to Greensboro and Charlotte ATC recordings and animations to reveal what actually happened to other pilots and air traffic controllers.

Directions: Seminars will be held in the NEW GTCC AV3 Campus across from HondaJet on Old Stage Coach Road. See Map connection. Look for seminar signs. Transportation for "Fly-Ins" can be arranged if you make 24 hour advance requests by calling Bob Sutherlin at 336-907-0487. Landmark ramp fee may be waived. Call for details.
