

Airmen Special Medical Issuance

Seminar Details: 11:30 AM Classroom B - presented by Charles Nicholson, local Greensboro AME. Dr. Nicholson will review what will most likely be the new Third Class Issuance procedures and standards on the horizon. Plus he will reveal what changes have already occurred that permit AMEs "special issuance" authorizations that bypass FAA medical scrutiny in Oklahoma City. If you have a medical condition that you fear may jeopardize your authority to fly, this seminar is designed for you.

Directions: Seminars will be held in the NEW GTCC AV3 Campus across from HondaJet on Old Stage Coach Road. See Map connection. Look for seminar signs. Transportation for "Fly-Ins" can be arranged if you make 24 hour advance requests by calling Bob Sutherlin at 336-907-0487. Landmark ramp fee may be waived. Call for details.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
