

Greensboro FSDO FAA Safety Team presents:

FAASTeam Flight Instructor Forum - Open to All Pilots

How do we teach students Aeronautical Decision Making (ADM) and Risk Management?

Aeronautical Decision is a systematic approach to the mental process used by pilots to consistently determine the best course of action in response to a given set of circumstances. In other words, it's the a systematic approach to risk assessment and stress management. Sounds easy, right? At this FAASTeam Flight Instructor Open Forum we will explore ADM and how you can teach your students to assess risk and manage stress. All instructors, examiners, and GA pilots are encouraged to attend. Participate in a growing awareness to the importance of proper risk management. Click on the link below and register TODAY!

Directions: Enter airport grounds from Rod Sullivan Road. Turn right on AMMONS Farm Road. Keep chin link fence and airport beacon on your left. Turn left at gate with Wings of Carolina banner. Park next to the Wings of Carolina Hangar. For Fly-In participants, parking is available on ramp in front of Wings of Carolina Flying Club hangar. [Map link click here.](#)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
