

FAA Safety Team and the Greensboro FSDO presents:

What Would You Do? Making Good Decisions

Making sound decisions under pressure isn't easy. When one thing goes wrong on the flight deck we can usually cope with it, but when additional hazardous things need our immediate attention, it's quite a different situation. Attend this seminar and participate in a scenario that involves two pilots on a cross country flight over the Appalachians when things go very wrong.

Directions: From west of Rocky Mount on US-70: Take US-70 E to US-70 BYP E in Fork 17 min (16.4 mi)
Keep left to continue on US-70 BYP E 2.9 mi
Continue onto US-70 E 13.5 mi
Follow US-70 BYP to US-117/US-117 ALT N in Stoney Creek.
Take exit 356 from US-70 BYP 6 min (5.8 mi)
Keep left to continue on US-70 BYP E 5.6 mi
Take exit 356 for US 117 toward Goldsboro 0.3 mi
Continue on US-117/US-117 ALT N. Drive to Aviation Dr 5 min (2.9 mi)
Turn right onto US-117/US-117 ALT N 1.8 mi
Slight right onto Airport Rd NE 0.7 mi
Turn right onto Aviation Dr. Destination will be on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
