

## General Aviation Survival

The presentation will acquaint the audience with the elements and benefits of survival knowledge, survival equipment, and training. Audience participation and input will be encouraged. Finding yourself on the ground in a survival situation can happen quickly. Coping successfully requires knowledge, discipline and planning. Come prepared to share your preparation to survive following an unplanned off airport landing.

**Directions:** Presentation will be at the terminal building conference room at the Moore County Airport (KSOP)

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
