

CFI Forum

The first in the CFI Forum series for 2018, we will discuss how to conduct a risk based flight review.

Directions: From Aviation Parkway, enter Gateway Centre at the traffic light. Take the third driveway on the right. Blue Line Aviation is located in suite 208 straight ahead. Parking is available to the left and right of the entrance. For those flying in, please call 919-578-3713 x201 at least 24 hours prior to coordinate transportation from Signature Flight Support to the training center. It's approximately 5 minutes from the FBO to the classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
