

FAASTeam presents:

# **Monthly VMC Club Meeting - Power Over Rhode Island**

Simple VFR flight, good weather forecast, sounds easy, right? Then there is the unexpected happening. Are you ready for it?

Let's discuss alternatives and options VMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in VFR flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. For all pilots, student pilots and anyone thinking about flying. Bring iPad or other device to view charts. Click on the link below and register TODAY.

**Directions:** Seminar will be held in the WINGS of Carolina hangar facility.

As you enter the airport, turn right on Ammons Farm Road.

With the fence on the left, look for Wings of Carolina banner on left, turn into gate, Wings of Carolina building is on your left just before you enter the South airplane ramp.

When flying in, park in any of the spots with tiedown ROPES
