

25 Things You Should Know for Safe Summer Flying

Brush up on your summer knowledge! We will cover topics including Thunderstorms, Density Altitude, Fronts, Currency, Aeromedical Factors, Required Equipment, Basic Systems, Wind Shear, and More!

Directions: From Aviation Parkway, enter the Gateway Centre Complex at the traffic light. Blue Line is the third driveway on the right. Parking is available on either side of the entrance.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
