

FAA Safety Team, Greensboro, NC presents:

# **Loss of Control / Take Off and Landings / Stabilized Approaches / Following Procedures**

In this presentation we'll be discussing findings and recommendations from the General Aviation Joint Steering Committee Work Group. We will use an accident as a springboard for discussion of GA Maintenance and Operations considerations with respect to training. Then we will discuss how to survive and hopefully prosper after the accident.

We want to hear about your experiences, questions, and observations. Don't miss this exclusive event. Click the link below and register TODAY.
