

Midair Collision Avoidance (MACA) Forum - Commercial Operators Only

The meeting will concentrate on safety issues concerning banner tow operations, parasailing activities, parachute activities, commercial air tour operations, and other sight-seeing flights; the meeting will last approximately two to three hours. We will also discuss any concerns, complaints, and safety related issues experienced during the 2019 season.

Directions: From Highway 64, take Airport Road. As you enter the Airport, the FBO is across the parking lot to the left. Meeting room is up stairs to the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
