

Frankinplane - Too Many STCs

STC Compatibility is not a new issue. You can imagine that special mission aircraft, and even sometimes less than special aircraft, need multiple modifications. These modifications need to play well together. Sometimes it does not end well. How do you decide if they do? Click on the link below and register TODAY!

Directions: From US-52 North / NC-8 take exit 111A towards 28th street. Use the left 2 lanes to turn left onto Indiana Ave. 1/4 mile turn right onto N Liberty St. In 1/2 mile turn right onto Fairchild Rd. Fairchild Rd turns slightly left and becomes Aviation Drive. Continue until the end and Fire Stations is on the right. Entrance is to the right of main door.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
