

When an Annual Inspection Does Not Go Right

In this Seminar, we will look at several accidents related to maintenance personnel who failed to follow the maintenance manual, standard practice, or the manufacturer procedures.

Directions: From Aviation Parkway, enter Gateway Centre at the traffic light. Take the third driveway on the right. Blue Line Aviation is located in suite 208 straight ahead. Parking is available to the left and right of the entrance. For those flying in, please call 919-578-3713 x 201 at least 24 hours prior to coordinate transportation from Signature Flight Support to the training center. It's approximately 5 minutes from the FBO to the classroom.
