

Teaching Advanced Preflight and Preflight after Maintenance

We will discuss the items that CFIs should teach and that all pilots should consider during preflight preparation and preflight procedures. In addition to covering common considerations and tasks, we will also discuss advanced preflight items--teaching checks related to unique aircraft systems and equipment, going beyond the normal preflight checklist.

Enter airport grounds from Rod Sullivan Road. Turn right on AMMONS Farm Road. Keep chain link fence and airport beacon on your left. Turn left at gate with Wings of Carolina banner. Park next to the Wings of Carolina Hangar. For Fly-In participants, parking is available on ramp in front of Wings of Carolina Flying Club hangar.
