

Making the Numbers

Knowing your aircraft performance numbers will make you a safer more proficient pilot. Join us for a discussion of how to apply this knowledge to your daily flying or flight training. We will talk about V speeds, performance charts and other numbers that affect your flying.

Turn off Butler Nursery Road onto the gravel driveway. Follow the driveway to the left, around the back of the hangars. You will see a grass parking area. The school entrance is inside the hangar, to the right.
