

New ACS System Explained

The definition of “Satisfactory” is about to change! Airmen certification standards are a critical resource that must be understood by all general aviation stakeholders. Aspiring pilots, instructors and examiners need to know what the FAA has defined as “Satisfactory.”

The FAA has released a new set of airmen certification standards, effective May 31, 2024, that impacts virtually all pilot certificates. Some changes are subtle, while others may require a different approach to the check ride.

Join us as we provide an overview of the changes. The seminar is primarily for CFIs and DPEs, but all pilots are welcome to join.

You are invited to the following ZoomGov Webinar provided by FAVES. Optional ways to join are:
