

CFI - DPE Open Forum

This will be your opportunity to hear what area DPE's are experiencing on check rides and how you can better prepare applicants. We will have several area Designated Pilot Examiners at this meeting so now is the time to ask any questions that you might have as to how to have your applicant pass their check ride on the first attempt. We will also discuss teaching positive foundational safety elements that each pilot needs to learn early in their flying career. Even if you are not a CFI but possibly thinking of becoming one, this would be a good meeting to attend.

From Rt 264 take Rt US-13 South (Memorial Dr) and then follow the signs for the airport and parking. Please park in the airport terminal parking lot. (Parking tickets will be validated)

If you fly in - please park in the FBO area as directed.

Here are the websites for Pitt-Greenville and Dillon Aviation:
