**Representative JOHN PAUL
GOLICK n/a**

We will discuss the planning, pre-flight operations, and survival equipment considerations for general aviation operations in winter. We will emphasize winter-specific details of pre-flight inspections and aircraft preparation when cold-soaked or covered in snow or frost.

We will discuss loss of control accidents during the approach phase of flight. We will review how to teach and practice approaches and go-arounds to maintain skills & enhance safety.

Pizza will be available after 6PM for those attendees who arrive early.

The presentation is open to all pilots. Click the link below and register TODAY.

Enter airport grounds from Rod Sullivan Road. Turn right on AMMONS Farm Road. Keep chain link fence and airport beacon on your left. Turn left at gate with Wings of Carolina banner. Park next to the Wings of Carolina Hangar. For Fly-In participants, parking is available on ramp in front of Wings of Carolina Flying Club hangar.
