

## Terrain-Terrain - Pull Up - CFIT - What Pilots need to Know

Technological advances in situational awareness have dramatically reduced the number of General Aviation CFIT accidents over the past 20 years. Nevertheless CFIT accidents continue to occur and at least half of them are fatal. This program acquaints the audience with the nature of CFIT accidents, their precursors, technological and safety risk management solutions to CFIT challenges.

From Highway 58; turn onto Spencer-Preston Rd; In one half mile - Turn left onto Airport Rd - in one half mile, FBO will be on the left.
