

Winston Salem Pilot - Controller Forum

We will be discussing how the airport management and the FAA ATC controllers will be handling this temporary tower closure. FAA air traffic controllers from both INT and GSO along with airport management will be on hand to discuss and answer any questions from attendees. If you plan to use the Winston Salem (INT) airport during the time the tower is closed for renovation, it is very important to attend this meeting.

Driving:

From N Liberty St, follow the signs for New Signature FBO which is located in the old terminal building under the control tower. Limited parking is available in upper parking lot, if this is full, please park in the lower parking lot.

Flying:

Follow FBO line personnel for parking instructions.
