

You Spin Me Right Round - A Detailed Look At Aerodynamic Spins

This event will provide a detailed study of spins, what causes them, where we are most susceptible to them, and spin recovery procedures.

Driving: Take Hwy 70 to Williams Rd in James City (Burger King on corner). Take Williams Rd 1 mile to Aviation Dr on the left. Continue down Aviation Dr and veer left at flagpole. Event will be in the light blue building with stone facade.

Flying: Event will be at D2 Flight Academy. After landing, request taxi to D2 Flight Academy. The plane parking is on the West side of the airfield. Taxiways F and E both lead to the parking area.
