2011 NorthEast LSA EXPO

w/ **3-4 FREE Seminars** (2 LSA, 1 AME, 1 tbd)

SEPTEMBER 17 – Lawrence Municipal Airport

492 Sutton St., North Andover, MA – Look for tents in grass next to main terminal, then follow signs.

The LSA & AME seminars qualify for WINGS credit:

REGISTER for FAA WINGS credit at: http://www.faasafety.gov/SPANS/event_details.aspx?eid=40036

All seminars will be held in the maintenance bay – white building with blue accent next to terminal.

1) 9:30am - 11:30am – SPORT PILOT –and– LIGHT SPORT AIRCRAFT RULES and SAFETY

Cliff Allen – CFII, ATP, and member of EAA chapters 106 and 146.

Cliff will address the Sport Pilot rules -- What you can & can't do as an LSA pilot, differences in training (LSA pilot vs private pilot), and more. Cliff will also cover the Light Sport Aircraft rules, what aircraft qualify as LSA, what is the difference between S-SLA and E-LSA, and Safety.

2) 11:30am – 12:30pm – Your Flight Medical – Common medical issues & What's Disqualifying

Dr. Richard Warnock, AME and pilot will cover the many medical issues which may be disqualifying, when an exception may be possible, and what tests and paperwork may be needed to retain or regain your medical certificate should you have any of those issues. Bring your questions – and those of your fellow pilots.

3) 12:30pm - 2:00pm – Terrafugia's Transition® Street-Legal FLYING CAR (an LSA) – by

Carl Dietrich – Terrafugia's CEO/CTO, Co-Founder, received his BS, MS and Ph.D. from the Dept. of Aeronautics and Astronautics at the Massachusetts Institute of Technology (MIT) shortly after being selected as the 2006 winner of the prestigious Lemelson-MIT Student Prize for Innovation. Carl was additionally recognized by the Aero/Astro Department at MIT as one of sixteen exceptional graduates under the age of 35. Carl has also a member of EAA106 since 2006. Carl will give an update on the Transition® (an LSA) design, flight testing, and more as it moves from the Proof-of Concept (the vehicle which flew in 2009) to low volume production (in 2011). The second generation model will be on display at this LSA Expo - the production design.

4) 2:00pm - 3:30pm – TBD – Possibly one more LSA seminar.

WWII presentation: P-38 Lightning

BY: Michael T. Terry

The Lockheed P-38 was arguably America's first multipurpose military aircraft; it served variously as a fighter, bomber, reconnaissance, close support, and air evacuation platform. Terry's slide show traces the Lightning from its initial design as a short range, point defense fighter to its amazingly versatile performance in nearly all theaters of World War II.

SCHEDULE: ~5 pm – BBQ Buffet – ALL-U-WANT
 ~6 pm – Presentation – P-38 Lightning

LOCATION: Lawrence Municipal Airport
 492 Sutton St, North Andover, MA
