

N/A presents:

# 2012 NorthEast RV-Canard Fly-In w/ FREE Seminars

This exciting annual event showcases amateur-built aircraft (RV, Canard, and other homebuilts) and features free seminars and workshops throughout the day including Basic Building, Electrical Systems, Designated Airworthiness Representative (DAR) Inspection, Test Flights and much more. Please see the "Additional Seminar Information" section for schedule and seminar details.

**Directions:** EAA Chapter 106 hangar area - Rear side of the Lawrence Municipal Airport (LWM)  
See "Additional Seminar Information" below for map link and directions.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
