

## FAASTeam Flight Instructor Open Forum

Don't miss this continuation of our interactive discussions at the FAASTeam Flight Instructor Open Forums, which provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. At this forum we will discuss local issues facing flight instructors in the Boston FSDO geographical area. Join your flight instructor colleagues and take an active role in improving safety in flight training! Don't miss this important event!
