

## Mastering the Art of Instrument Navigation

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience.

At the meeting, prospective members will be given the opportunity to meet and interact with IMC Club founder and President Radek Wyrzykowski.

Eight simulators will be available on site for some hands-on flying IFR practice.

You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** Conference/meeting room at FlyThisSim. 102 Cross St. Suite 110, San Luis Obispo, CA 93401
